What is Tapas?

“**Tapas** are a variety of small savoury Spanish dishes, often served as a snack with drinks. To “tapear”, going from bar to bar for drinks and **tapas**, is an essential part of the social culture of Spain, especially in the south, and is something that every visitor to Spain should experience. “Tapas is designed for social dining over drinks with friends, and to nibble at over time while enjoying your wine, cocktails, beer or short.
